# Graduation

The Class of 1994 graduated on a warm Friday, June 3, 1994 at 6:00 P.M. in the high school fieldhouse. Heather Mitchell and Scott Shirey were the class marshalls. Honor speakers from the class were Leslie Grimmett, Michael Hollingshead, Julie Moynihan and Swati Dhuleshia. The newly formed parent group called S.O.S. (Support Our Seniors) hosted the Class of 1994 at the first all-night graduation party at North Andover High School. They completely decorated the two cafeterias and provided endless food and entertainment from 10:30 in the evening til dawn.

June 3, 1994

## Mr. North Andover

This year marked the debut for the Senior Graduation Party. Accompanying the party were several fundraisers, one of which was the Mr. North Andover Contest. The contest, hosted by Mr. Donald Latham, had swimsuit, evening wear, and talent categories. A question and answer period followed for the three finalists: Scott Schirey, Jim Downes, and Bill LaBelle. Following some very original answers, the four celebrity judges felt that Bill LaBelle rose above the rest, and crowned him Mr. North Andover. The event was a huge success, ensuring that the first annual Mr. North Andover Contest would not be the last.

## North Andover Athletic Association

### Dedication

The North Andover Athletic Association has contributed to the success of both athletics and activities for the students at North Andover High School. Through their unselfish efforts, students have been motivated to excel beyond their personal boundaries. Without their time, patience and countless hours of volunteering, many students would not have fulfilled their ambitions of participating in the activities they enjoy and the sports that they love.

Headed by Bill Jensen, concerned parents joined together to organize raffles, dances, ski and skate swaps, and golf tournaments to raise \$200,000. Al Perry, newly appointed president, is backed by a hard working committee made up of Al Roberts, Jo-Marie Allen, John Simons, Cathy Lafond, Noel Hayes, Pat Grant, Sue Garvin. Also a sincere thank you to Brian McNally, Jack Stephenson, Jim Pappas, Paul Sullivan, Jack Gaffny, Sue Sturtevant, Bruce Butterfield, Paul Routhier, Mary Pemble, Mark DiSalvo, Bob Lyons and Margaret Finn. It is with our deepest gratitude, we dedicate the 1994 Knight to the North Andover Athletic Association.

### WITHIN YOU IS THE STRENGTH TO MEET LIFE'S CHALLENGES

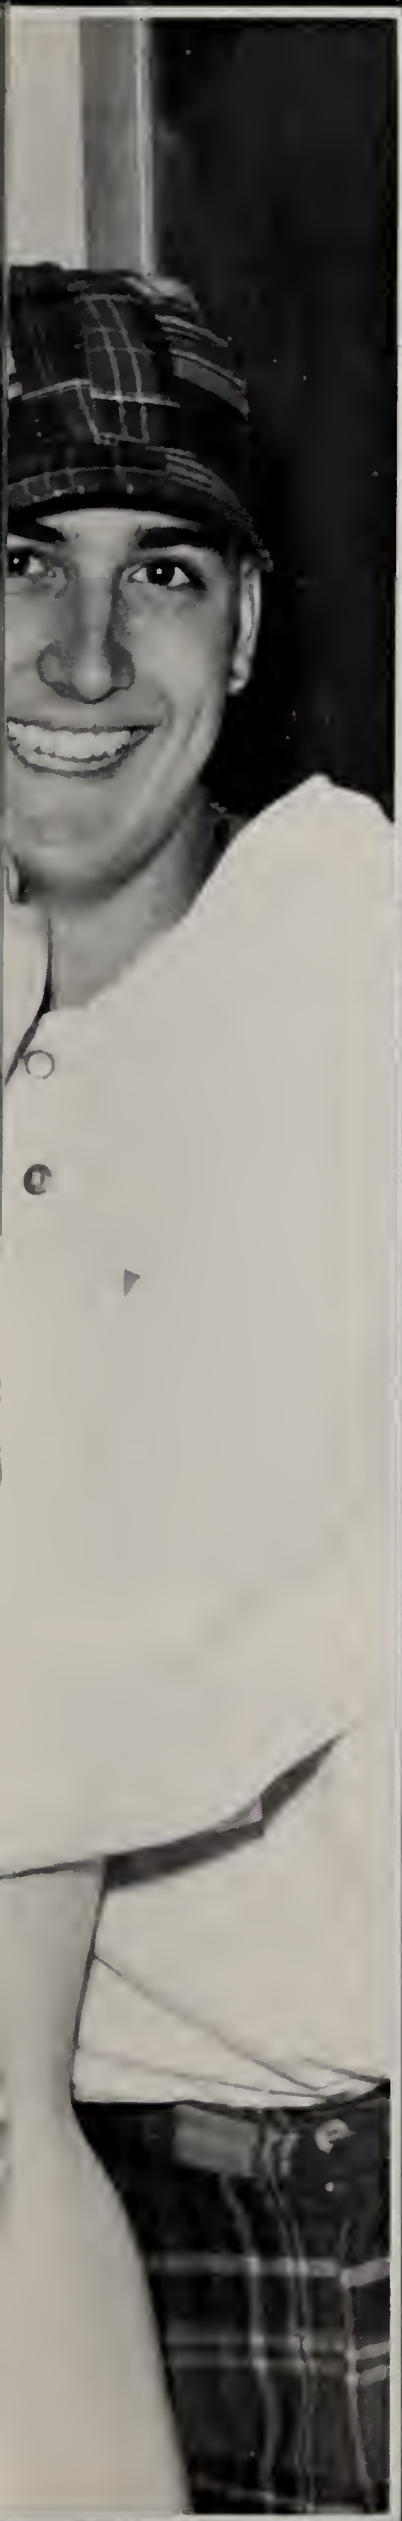

You are stronger than you think-  
remember to stand tall.  
Every challenge in your life  
helps you to grow.  
Every problem you encounter  
strengthens your mind and your soul.  
Every trouble you overcome  
increases your understanding of life.  
When all your troubles weigh  
heavily on your shoulders,  
remember that beneath the burden  
you can stand tall,  
because you are never given  
more than you can handle-  
and you are stronger than you think.

# SPORTS

## Baseball

The Baseball Team turned in an impressive 1993 season. Led by coach John Strobel and captains Doug Brawn, John Guilmet, and Haig Soghigian, the Knights turned in a 16-5 season. This put the team into first place in the Cape Ann League. In the first round of the state tournament, the Knights were defeated by Malden Catholic in a competitive game. Returning for the 1994 season as captains are Chris Dufresne and Bill LaBelle.

# Softball

The Softball team turned in an impressive season after a rocky start. Led by Coach Schruender and Captain Julie Keefe, the Knights started a winning streak mid-season, knocking off first ranked North Reading in an emotional upset. There was an abundance of talent on the team with Julie Keefe, Debbie Forgetta, A.J. Kupps, and Michelle Devan being named league all-stars, and A.J. Kupps being named to the Eagle-Tribune all-stars. Next year the Knights will be led by captains A.J. Kupps and Renee Cammarata.

# Boys Tennis

The Boys Tennis team, led by Coach Jack Stephenson, made a strong showing in the Cape Ann League posting a ten and five record, and making it to the second round in states. Leading the Knights were co-captains John Stephenson and Tim Stoneceipher, and were supported by Peter Hayes, Jim Holland, Ed Brooks, Mark Midle, Scott Shirey, and Dave Brooks. The Knights will have a tough time this year following the graduation of key members, and will look to co-captains Peter Hayes and Scott Shirey to lead them.

## Girls Tennis

The 1993 Girls Tennis team turned in a good year under the leadership of coach Dan Desmond and captains Kristen Nelson and Katie Hayes. The Knights ended with a record of 7-6, not good enough to qualify as a team for the state tournament. However, four players did qualify for the Cape Ann League meet, they were Katie Hayes, Kristen Nelson, Yasuko Yamasaki, and Colleen Crafton. Katie Hayes and Kristen Nelson also qualified and played at the State Tournament in individuals. Next year, Colleen Crafton will return as the team's captain.

# Boys Spring Track

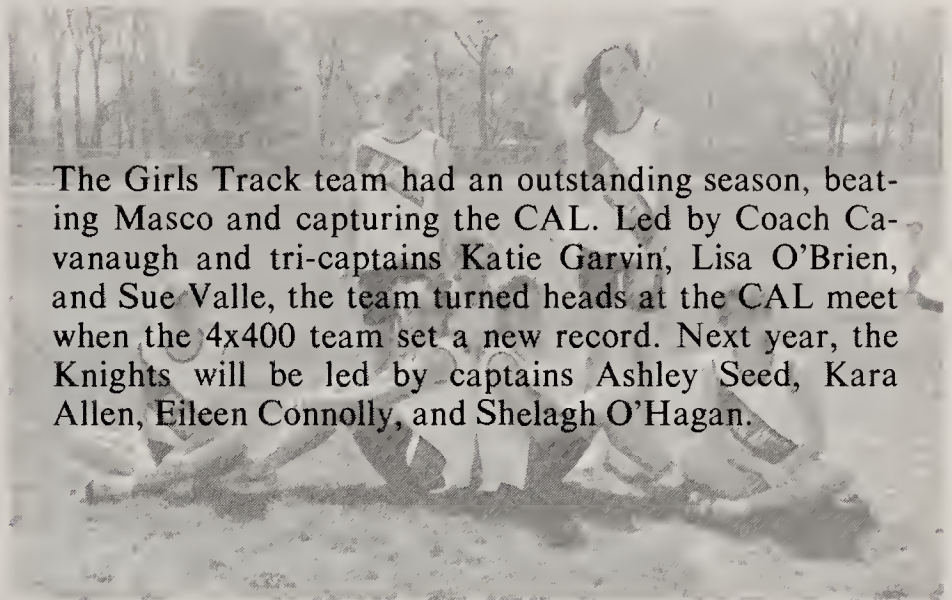

The Boys Track team posted a six and three record in a season which was described as "much improved". Led by captain John McVeigh and Coaches Willis and Delle Chiai, the Knights surprised many in the league by beating rival Masconomet. The season was also marked with great individual performances by Dave Savarese and Ben Nassar who both qualified for States. This year, the Knights will look to the leadership of tri-captains Dave Savarese, Matt Dawson and Mike Gray.

## Yearbook

This year's staff, led by co-editors Heather Mitchell and Dave Smith, has worked hard to make this yearbook the best yet. Business Editor Liz Shea headed up the advertising team that raised the money needed for this year's book. The group hit the pavement and the phones and raised an astounding \$5000 to add to the money raised by book sales. The staff lent a helping hand as Dave, Heather and Liz scurried around to meet deadlines—a few were missed, but everything was turned in. We'd like to thank Mr. Hehn and Mrs. Casale for stepping up to the challenge as advisors and we think they did a great job for their first year! Thanks go out to all our members—we couldn't have done it without you!

It is comprised of a group of dedicated students who believe in reaching out to their peers in hopes they will act responsible under the direction of Mr. Minihan, the members of Students Against Drunk Driving work to make people aware of what the organization stands for. We have also worked with Officer Tracy Castiglione to send out the "S.A.D.D." message to the community. S.A.D.D. Presidents Gina Loizou and Caroline Obert and dedicated member Jaime Heffron went to Channel 3 studio at Christmas to wish everyone a happy and safe holiday season. This year the organization has distributed red ribbons and pamphlets signifying safety behind the wheel. The group is also planning a "Grim Reaper Day" to demonstrate the causes and affects that accompany drinking and driving.

The message is strong. Hopefully, the efforts of S.A.D.D. will help people act responsible when it comes to drinking and driving.

The group performs its winning acts for the entire student body, as well as parents, relatives, and friends. Seniors Jeff Durand and Cheney McConnell will be passing the torch to a fine set of entertaining underclassmen.

Left to Right: T. Boecher, S. Townsend, R. Maus, K. Messier, S. Whittaker, S. Kattar, S. Lerch, H. Robinson, E. McDonough, D. Mureko, S. Lerch, E. Ryan, L. Knott, K. Kattar, K. Brush, J. Durand, A. Hamel, C. McConnell, T. Forelli.

## Math Team

Left to Right: A. Dhuleshia, L. Grimmert, S. Dhulshia

The Math Team allows students with a talent and love for math to compete with the best and brightest in the state on an intellectual level. The benefits of such competition have proven to be quick recall, constant review, high SAT's and Achievement results, good results of the MAML Exam and Atlantic Pacific Exams, better class review, a strong support system and a camaraderie unique to the math team.

## Activities

### Dance Company

The North Andover Dance Company, under the leadership of Mrs. Thompson, worked together to create many wonderful dances. The special performances by the girls allowed the Dance Company to be a great success. We'd like to thank Mrs. Thompson for dedicating her time and our wonderful fans for their support.

Left to Right: S. Tayarani, C. Licciardello, J. Haddad, K. Bartlett, M. Pellerin, A. Bennett, K. Webster, A. Fargen, N. Trinh, H. Robertson, K. Katis, C. Vicens, E. McDonough.

## Pep Rally

The Field House was turned into a hippie fest with this fall's Pep Rally theme being the 60's. With the great help of Mr. Paul Spadafore, the class of 1994 put on a great show! Everyone had a tie-dyed shirt and various other hippie accessories to help them get into the theme. Dave Der-Arakelian did a terrific rendition of Janis Joplin's "Take A Piece of My Heart" as the Scarlet Knights knelt and screamed. The show ended with every participant forming a peace sign and holding up glow sticks.

## Fall Play

*The Little Foxes*, written in 1939 and set in the deep south during the turn of the century, is a serious dramatic piece that is an ambitious challenge for the very able cast. Several of the cast members were last seen on stage in last spring's musical, *Anything Goes* and are now trying their talents in dramatic roles. Several cast members are new to the high school and new to theatre. The Theatre Guild is to be congratulated for taking on this sophisticated play whose themes include greed, racism and human frailty.

# Homecoming

The 1993 Homecoming Dance, sponsored by the senior class, was a great success. The cafeteria was turned into a royal court for a fun-filled evening. Those who attended the dance voted for their pick on King and Queen. All those in contention for the crown nervously awaited the big moment. The crowd was filled with anticipation. After all the votes were tallied the big announcement was made. Ashley Seed and Brian Raposo were the Queen and King of the 1993 Homecoming Dance!

## Valentine's Dance

This year's Valentine's Dance was held on February 12. The nominees for King were: Nathan Bibeau, Lance Enaire, Tim Rooney, and Jay Kollias. For the Queen, the nominees were: Megan Breen, Kara Allen, Niki Grant, and Bethany Parker. The underclassmen princes and princesses were: Tony Longo and Megan Stone, Chris Hayes and Patti Crowley, and Sam Velishka and Courtney Rennicke. Mr. Sanford announced to the audience that the King and Queen were Tim Rooney and Megan Breen.

# Activities

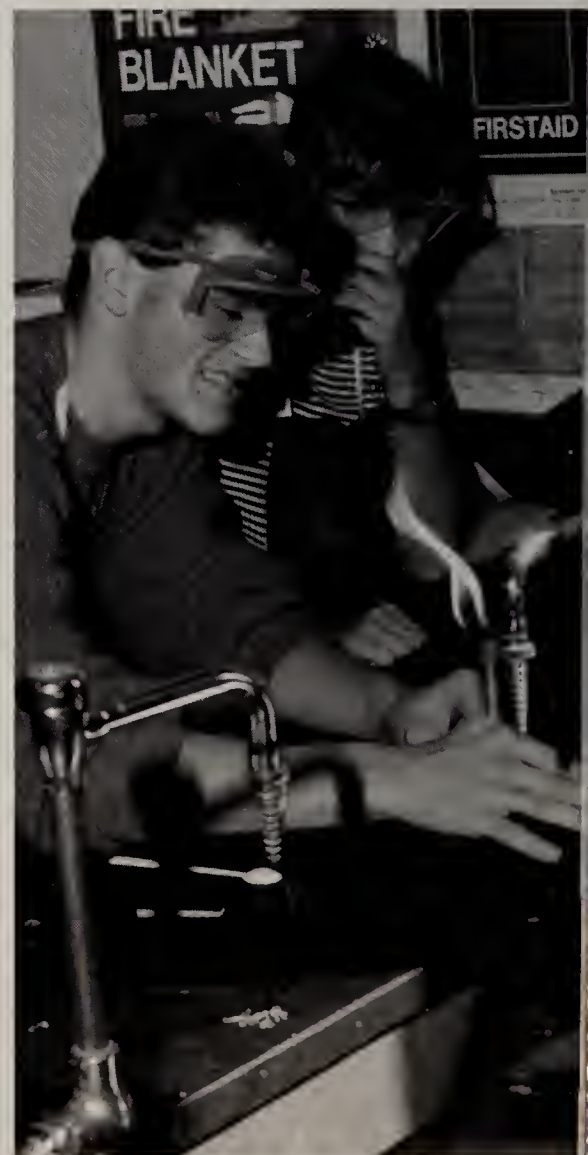

## Science Bowl Team

The North Andover Science Bowl Team members are selected each December and practice during the months of January and February for a regional competition held each year at MIT. The team members prepare themselves in earth science, biology, chemistry, physics, astronomy, computers and mathematics. The winning team of the regional play-off goes on the national game. The coaches this year, Mrs. Hajec and Mr. Kappotis, have emphasized having a good time learning science along with skills that should help the team compete competitively.

# Cabaret Night

Cabaret Night, put on by the North Andover High School Music Department, was once again a very successful event. Both the concert choir and concert band performed a host of musical arrangements. The evening also included many solo performances by students making the event an enjoyable one.

## Spring Carnival

The fourth annual Spring Carnival sponsored by the Youth Services was a great success. The High School was turned into a midway of rides, games, and concession stands. Many students volunteered in the booths raising money for class events. Many people enjoyed the weekend, and a thanks for all those who made the weekend possible.

## Semi Formal

Last Spring marked the fifth Freshman-Sophomore Semi-Formal. So, dressed to party, the underclassmen crowded the dance floor at the Andover Rolling Green for an enjoyable end to a year.

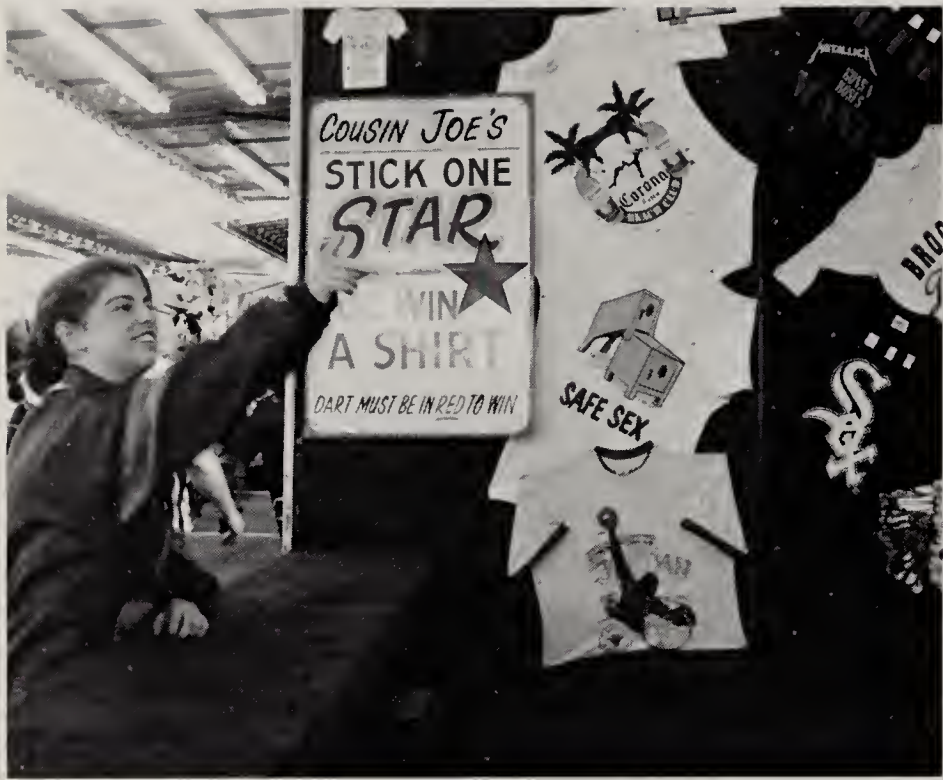

## Spring Play

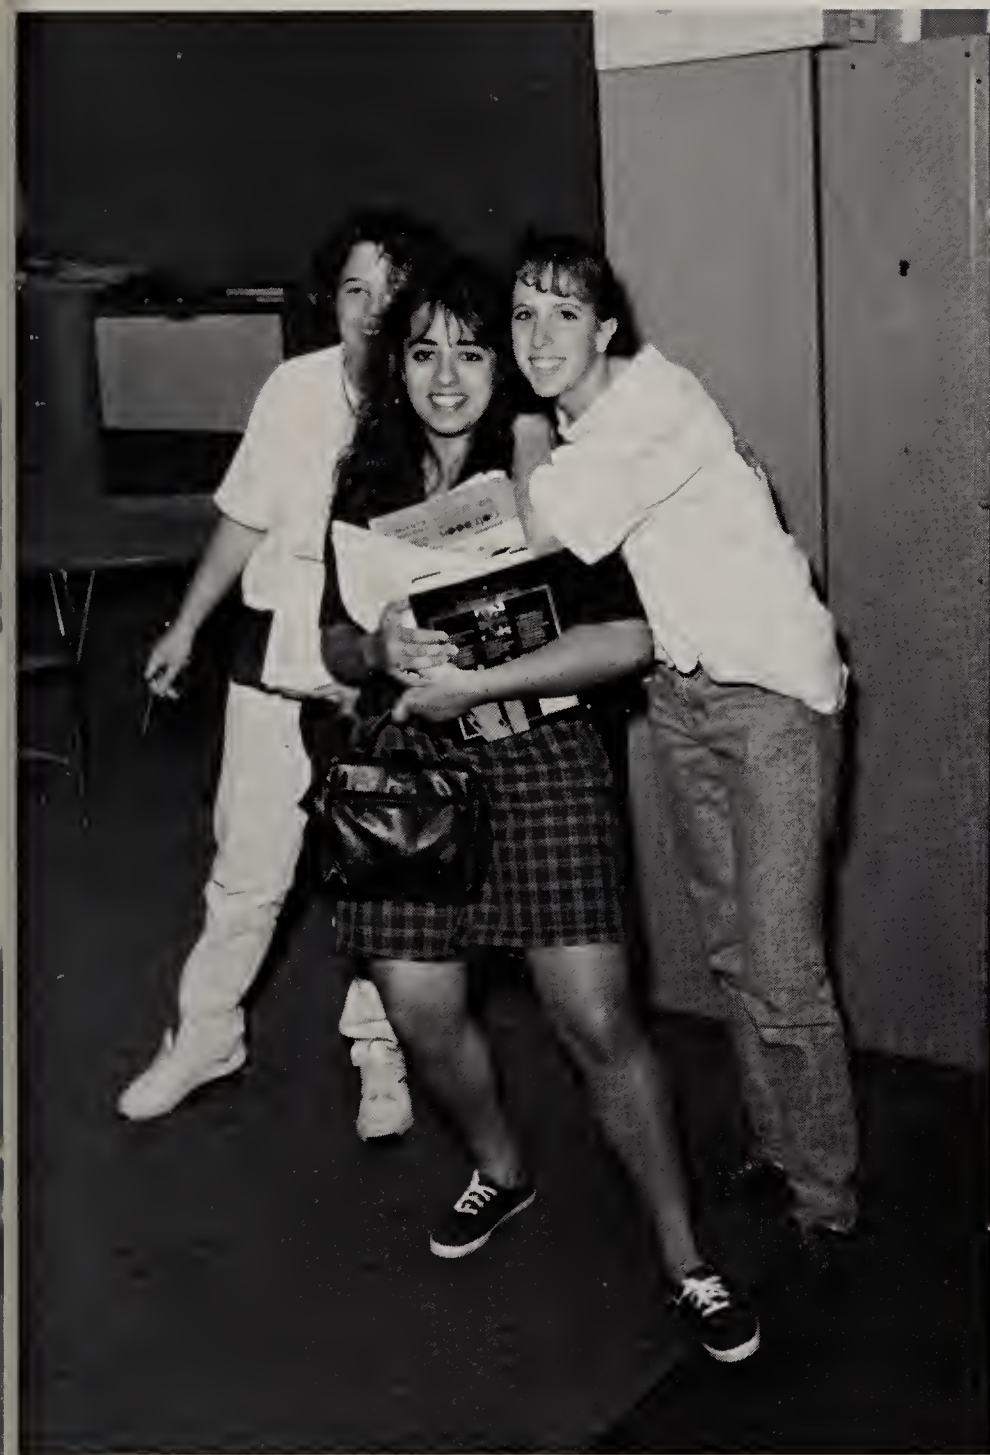

After weeks of work and preparation, the spring play went off without a hitch. The production of Anything Goes held shows throughout the weekend to the packed high school auditorium. A congratulations goes out to all who took part in and helped out with the production.

# Graduation

The Class of 1994 graduated on a warm Friday, June 3, 1994 at 6:00 P.M. in the high school fieldhouse. Heather Mitchell and Scott Shirey were the class marshalls. Honor speakers from the class were Leslie Grimmett, Michael Hollingshead, Julie Moynihan and Swati Dhuleshia. The newly formed parent group called S.O.S. (Support Our Seniors) hosted the Class of 1994 at the first all-night graduation party at North Andover High School. They completely decorated the two cafeterias and provided endless food and entertainment from 10:30 in the evening til dawn.

# Mr. North Andover

This year marked the debut for the Senior Graduation Party. Accompanying the party were several fundraisers, one of which was the Mr. North Andover Contest. The contest, hosted by Mr. Donald Latham, had swimsuit, evening wear, and talent categories. A question and answer period followed for the three finalists: Scott Schirey, Jim Downes, and Bill LaBelle. Following some very original answers, the four celebrity judges felt that Bill LaBelle rose above the rest, and crowned him Mr. North Andover. The event was a huge success, ensuring that the first annual Mr. North Andover Contest would not be the last.
